

The Illumina RGH Counseling Guide App

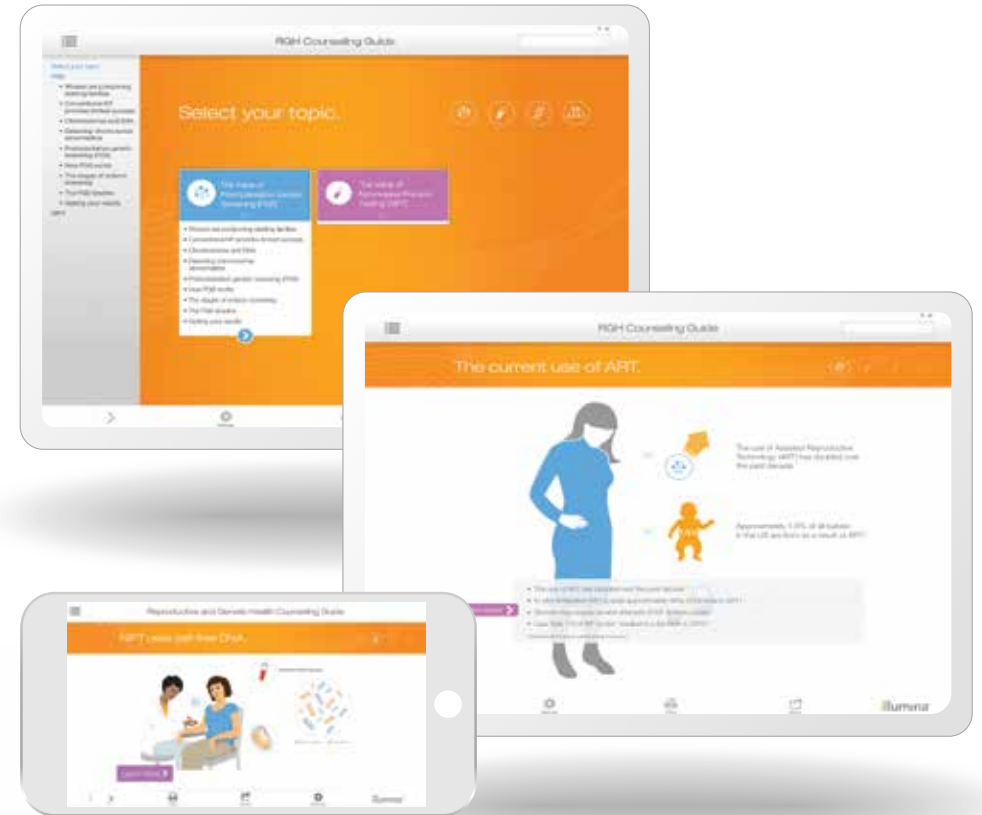

The latest tool on preimplantation genetic screening (PGS) and noninvasive prenatal testing (NIPT).

With the Illumina Reproductive and Genetic Health (RGH) Counseling Guide, health care professionals now have an additional tool to empower prospective parents to make informed reproductive choices.

illumina[®]

RGH Counseling Guide features

- Designed for Apple® iPads and iPhones as well as Android™ tablets and smartphones
- Online or offline access
- Simple chapter navigation
- Topic search bar on every screen
- Easy-to-understand graphics
- Corresponding speaker notes on every slide
- Screen or chapter print capabilities (online only)
- App and information sharing via email, LinkedIn, Facebook, Twitter, and Google+ (online only)
